Dare to Double

Dare to Double is a simple dog’s-choice game, which means that he will earn points for taking obstacles in the order and direction of his own choosing.

Jumplers

The Jumplers course must be run in the sequence specified by the judge. The dog will earn bonuses for successfully performing distance challenges.

Cha Cha

The objective is for the team to accumulate as many bars of Cha-Cha steps as they can in the time allotted. A Cha-Cha bar consists of any two obstacles other than jumps followed by three jumps.

In & Out

The course is divided into three different segments. The “inner” loop, the “in and out” loop and the “outer” loop. The dog must start with the “inner” loop, move to the in-and-out loop and finish with the outer loop.

Go Hawaiian

The objective is for the team to perform the clock of obstacles before the time expires. Dogs are required to run a simple numbered course. The object of the game is to score the most points.

Points are earned as follows:

- 10 points – The handler leaves the dog at the start line in a sit or down, runs to a marked area in the center of the course and dons the following apparel: grass skirt, straw hat and two leis.
- 10 points – The handler performs a hula dance after dressing up.
- 10 points – The dog successfully completes an obstacle.

Chutes & Ladders

The objective of Chutes and Ladders is to negotiate the course of tunnels and contact obstacles.

Judges briefing on day of trial supersedes any previous briefings.

This trial is open to all dogs that are 20" or less and are over the age of 12 months, except bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness that may affect a dog's physical or mental performance. **NO DOG MAY RUN** without a registration form completed prior to their first run (registration form attached).

For safety of the dogs and the humans; this trial will not run in rainy weather.
Thank you!

PLEASE READ!!!

How the Fast Track Move-Up Program Works

Titles may be grandfathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move up from Beginners to Superior on the same day, if the dog qualifies first in Beginners, and then qualifies again in Intermediate. It is also possible to move up from Games I to Games III on the same day if the dog qualifies first in Games I and then qualifies again in Games II.

A qualifying score in the lower class is required to move up to the next higher class. **You must submit a copy of title certificates for each dog.** Fast tracked dogs are not eligible for placement or title ribbons, but are eligible to receive Q ribbons.

Submit \$8.00 for each dog's fast track move-up request. Payment of the \$8.00 is no guarantee that your dog will qualify at the lower level (though he will have multiple chances at each), and is non-refundable. If you have fast tracked before at a previous trial but have not moved up to the equivalent level based on titles earned through another organization, you may fast track at this trial by submitting the Fast Track Move Up request and fee.

Include FAST TRACK Move Up request with entry form
Owner must submit copy of Title Certificate for the Dog
